## Schedule a meeting

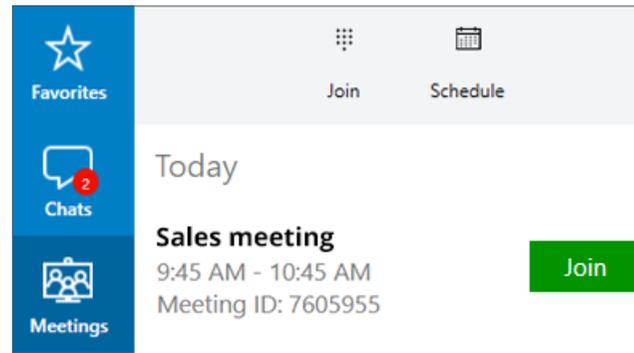

1. Select the plus icon.

2. Select **New meeting**.

You are then directed to the StarLeaf Portal where you can add and edit meeting details.

Each participant receives a meeting invite by email which provides instructions for the different ways of joining a meeting.

## Join a meeting

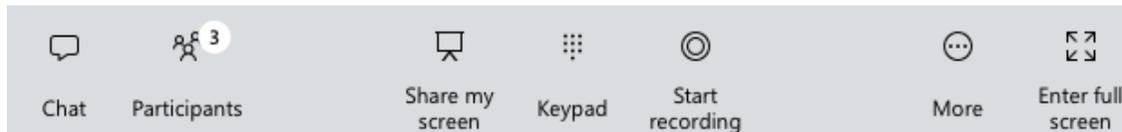

When a meeting begins or is due to begin, a green **Join** button appears besides the meeting details in the **Meetings** tab.

This can be either a meeting you have scheduled or one you have been invited to.

Select **Join** to join the meeting.

## In-call meeting controls

In-call meeting controls appear at the top of the app while you are in a voice or video call.

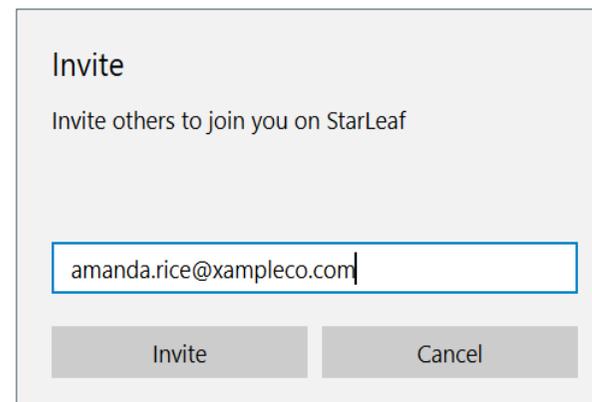

- **Chat:** chat to a person or group while in a call with them (they must be a StarLeaf user or a StarLeaf group, otherwise the chat option is unavailable)
- **Add participant:** add another person to the call
- **Share my screen:** share your screen to the other person/people in your video call
- **Keypad:** a DTMF keypad that you may need for a voice-based menu system
- **Start recording:** record the meeting. Recording is an optional extra
- **More:** configure the video layout, camera, microphone, and speakers
- **Enter full screen:** enter and exit full screen mode from here

## Invite to StarLeaf

Invite others to join you on StarLeaf.

1. Select the plus icon 
2. Select **Invite to StarLeaf**.
3. Enter the email address of the person you want to invite.
4. Select **Invite**.

The person you invite receives an email that prompts them to download the app and provides all the information they need to call you.
