

4 DECADES OF ELECTRONIC SECURITY EXPERTISE

Established in 1981, Regal Security has since grown from 2 branches to 28 – nationwide! This expanded infrastructure and footprint has enabled us to ensure we can give our Customers everything they need, from Cape Town to Kuruman to Ouagadougou and everywhere in between.

WAREHOUSE EFFICIENCY IS ORDER OF THE DAY

Fast, efficient logistics that deliver anywhere.

PASSIONATE ABOUT OUR PRODUCTS

In our years of being in the industry, we have seen a thing or two. We've seen solutions come; solutions go. But the one thing that remains is our passion for supplying our Customers with the best possible products, innovations, and service.

8000m²

Did you know that we have an efficient warehousing and logistics system?

Support

All our products are backed up by technical experts, **after-sales** and support from our National Resolution Centre.
