

Why the Print Director Upgrade?

With the new update to Windows 11 that enables 2-Factor Authentication, scan-to-folder requires an upgrade to your current Print Director software.

How do I get Print Director Capture?

We will waive the outstanding Annual Software Management term.*

Ts & Cs * 1. The customer will need to upgrade for a minimum of 1 year.
2. The customer needs to place the order before the end of October 2025.

Benefits of PD Capture – Print Management Software

ASM upgrade to PD Capture provides:

- Up-to-date security features.
- Single sign-on.
- Digital workflow with scan-to-folder.
- **PLUS** scan to OneDrive, Google & Dropbox.
- **PLUS** scan to apps like MFiles or other workflow systems.
- MS Auth 2 – Microsoft requires 2-factor authentication for single sign-on to work.
