Dear Wanita and the ITEC Advance Team

Thank You

On behalf of everyone at Baby Moses Sanctuary, I would like to express a heartfelt thank you for your wonderful support during our Mandela Day celebrations.

Thank you for treating our children to McDonald's meals, with Happy Meals for the younger children and burgers for the older ones. To our children it was something truly special. Like all children, they LOVE to receive a proper takeaway, and the excitement and smiles on their faces said it all.

What made your visit even more special was that you took the time to spend with the children and the caregivers. Mandela Day reminds us that it is often the gift of our time, kindness and compassion that leaves the greatest impact. Your visit and donation reminded our children that they are valued, cared for, and seen. We were also especially grateful that you were willing to respond to a specific need we shared with you.

At Baby Moses, more than 200 vulnerable children receive support and care through our various projects. On Mandela Day we had the privilege of bringing together children from our Dion Home, Gugulethu Home, Kagiso Home and several of our supported families. Because of people like you, it became a day filled with laughter, special memories and the reassuring knowledge that there are people in our community who genuinely care.

Thank you for living out the spirit of Nelson Mandela through your generosity and compassion. Your investment in our children is so appreciated, and we hope you know that you have made a real difference in their lives.

With our sincere appreciation and best wishes,
